## **Village of Wolcott Farmer's Market** **2025 Market Rules**

**1. PURPOSE:** The purpose of this market is to provide an opportunity for local farmers and crafters to offer their products to the community and to provide a shopping opportunity for community members to purchase fresh produce and homemade crafts. The market is operated by the Village of Wolcott.

**2. LOCATION:** The Market will be located on Northup St near Northup Park in the Village of Wolcott. Market days will be Thursdays, from May 22, 2025 to October 9th, 2025 from 1:00 - 7:00pm.

**3. APPLICATIONS:** All vendors must complete an application which will be kept on file. Applications can be picked up at the Village of Wolcott office at 6015 New Hartford St. Vendors may request to have an application mailed to them by contacting the Village Office. Please return applications by May 22, 2025.

**4. VENDOR FEES:** There are no vendor fees for the 2025 season. Please specify if you will need a space that is more than the size of a parking space (10'x20')

**5. CANOPIES:** Vendors with canopies must secure their canopies with weights for each leg at a minimum of 30 pounds per weight.

### **6. LOAD IN / LOAD OUT:**

#### **This section is for vendors who want to set up All Day or from 1pm to 5pm:**

Vendors may begin their setup at 11:30 am on market day but must be fully set-up and open for business by 1:00pm. If a vendor is not onsite by 1:15, their pre-assigned location may be forfeited for the day. On the first day of the market, May 22nd, or on a vendors first day, vendors should plan to arrive no later than 12:30 to receive their placement.

#### **This Section is for vendors who want to set up for the 3pm to 7pm vending hours:**

Vendors may begin their setup at 1:30 am on market day but must be fully set-up and open for business by 3:00pm. If a vendor is not onsite by 3:15, their pre-assigned location may be forfeited for the day. On the first day of the market, May 22nd, or on a vendors first day, vendors should plan to arrive no later than 2:30 to receive their placement.

Vendors should plan accordingly to have enough product to last for the entire 4 hour day. Vendors are expected to remain for the entire day and to remain open until 7:00pm. Tents may NOT be taken down and vehicle traffic will NOT be allowed in the Market area until after 7:00pm. The Market Manager will reserve the right to close early due to inclement weather. A vendor may speak to the Market Manager about rare exceptions to this rule.

**7. NO MOTOR VEHICLES ALLOWED IN PARK:** There will be no motor vehicles allowed in the park itself without previous permission from the Village Board. This includes the paved walkway that runs through the park. Driving your vehicle in the park without previous permission may result in the discontinuation of your participation in the Farmer's Market.

**8. BUY LOCAL-PRODUCE:** At least 60% of produce sold at this market should be grown by the farmer vendors on land owned or leased by them. A farmer vendor may purchase out of state produce that is not yet ripe and bring to market to sell. Once a particular crop is ripe in this

area, that crop from out of the area should not be sold at our market. Our goal is to provide our customers with as wide a variety of fresh produce as possible.

**9. BUY LOCAL-PRODUCTS:** At least 60% of crafts and homemade foods offered for sale should have been made by the vendor. The other 40% should have been made in New York State. No flea market items will be allowed.

**10. HIGH QUALITY PRODUCTS:** All products (produce, craft items, prepared foods, etc.) must be of high quality. Products of lesser quality will be asked to be removed from the market.

**11. SIGNAGE:** A legible sign with the name, location of farm/business place should be prominently displayed. Vendors must display prices of items sold. Displays should be kept neat.

**12. NO PETS:** Other than certified service animals and horses from horse drawn carriages, no pets will be allowed to be brought onto the grounds by vendors.

**13. VENDOR RESPONSIBILITIES:**

- Vendors selling prepared food are SOLELY responsible to comply with federal, state and local food safety requirements and health regulations. Copies of all required licenses must be submitted to the Market Manager prior to market opening on May 23th.
- Vendors selling prepared food may be required by the Village of Wolcott to obtain a Peddler's Permit in order to protect brick and mortar businesses within the Village. It is the sole responsibility of the vendor to obtain said permit from the Village of Wolcott.
- Vendors will be responsible for making their own change. Neither the Market Manager nor the Village of Wolcott will be able to make change for vendors.
- Vendors are expected to adhere to all state tax collection laws and are solely responsible for tax collection. A NYS tax certificate must be prominently on display during the market day.
- Vendors selling nursery and greenhouse crops must display a valid NYS Nursery License. A copy of said license must be submitted to the Market Manager.
- Vendors will leave their space in a clean condition, free of refuse. Trash barrels are located in Northup Park.

**14. DISPUTES:** Any issues that vendors have with each other or vendors have with the Farmer's Market must be written, signed and given to the Market Manager

**15. BATHROOM FACILITIES:** There are bathroom facilities located in the front lobby of the Village Hall. These will remain open and available to participants and visitors during market hours. These facilities must be kept clean. Issues should be reported to the Market Manager.

**16. COVID PROTOCOL:** Anyone involved in the Farmer's Market is expected to follow any current guidelines regarding COVID 19 restrictions and regulations passed down by local, state and federal government agencies.

Any vendor who does not comply with these rules and/or those of other governing bodies including the Village Codes of the Village of Wolcott will be asked to leave the market and may not be allowed to return in the future.

These rules have been adopted so that the market will be a safe and orderly place for the vendors and our community to come together.
